

# Marathon in a Month

## Walk a marathon this August

### The Challenge

Get your trainers, wellies or boots on and walk 26.2 miles this August. That's 1.2 miles a day, every day or five or six longer walks:

- ≈ 55,000 steps
- = 24 walks from Toton's [Top Park to Bottom Park](#)
- = 18 laps of [Long Eaton's West Park](#)
- = 1.3 laps of the [Edale Skyline](#)

Keep a log of your walks including how far you walked, what you see and who you do them with. Ask your friends and family to sponsor you to raise money for 2<sup>nd</sup> Toton Scout Group

### Tell us all about it

Share your summer adventures and achievements on the group's Facebook page and keep in touch over the holidays at the same time.

<https://www.facebook.com/2ndTotonScouts/>

### Did you know?

The marathon is based upon a popular myth stemming from the Battle of Marathon, in which Pheidippides ran to Athens from the town of Marathon, Greece to carry the message of a Greek victory.
